Dear Vinod,

It was a delightful experience for my wife and me to have visited your elegant restaurant in Washington, DC. I must congratulate you for establishing such a high-quality Indian restaurant of which we can all be proud.

We enjoyed most of all, the superb cuisine with authentic Kerala dishes as well as the ambience and gracious service.

I thank you, your staff and all the members of your family for doing such an excellent job and congratulate you once again.

With best wishes,

Yours sincerely,

(K.R. Narayanan)
